Life after Dentistry.
How to plan and live your ideal retirement

You are invited to join us at the RAF Club in London for an informed discussion on how Dental Practice Owners can most effectively use their assets in preparing for a financially secure retirement.

The event is being hosted by:

**MATT SMITH**  
Managing Director of New Life Financial Planning | [www.newlifefp.co.uk](http://www.newlifefp.co.uk)  
Matt’s mission is to help Dentists make the transition to "retirement" as exciting and rewarding as possible. Having helped 100's of Dentists plan and execute their retirement plans, Matt has seen first-hand how, properly planned, retirement can be about so much more than just ‘winding down’ in complete exhaustion. It should be the start of a whole new era in life.

**LILY HEAD**  
Managing Director of Lily Head Practice Sales | [www.lilyhead.co.uk](http://www.lilyhead.co.uk)  
Lily founded the business in 2010 since when Lily and her team have worked with countless dentists across the UK to help them transition to retirement through the sale of their dental business(es). Lily is a guest speaker at numerous seminars for dentists and an elected member of the Association of Specialist Providers to Dentists (ASPD).

**ALEX HALL**  
Head of Dental at Meade King Solicitors | [www.meadeking.co.uk](http://www.meadeking.co.uk)  
Alex has a nationwide reputation built over many years for advising dentists, orthodontists, dental companies and Local Dental Committees. Practising corporate, commercial and regulatory law, Alex acts for dental clients in the purchase and sale of practices, incorporations and NHS contract disputes, providing expert niche and technical advice. Alex is a regular speaker at seminars for dentists.

**TOPICS**
- **MATT SMITH**  
  How to retire years early and be financially free, have more income and pay less tax.
- **LILY HEAD**  
  How to maximise the value of your dental business and find the most suitable buyer.
- **ALEX HALL**  
  How your solicitor can help you make the transition from practice ownership to retirement.
